Indian, Pakistani and Mediterranean Cuisine

About Eastern Flavours

Eastern Flavours began with a sensation. Perhaps, this is something that happens to all of us at some point in our lives when we feel like we have already lived and we feel the need to do new things, to improve, to grow and do something special in our community.

This is how we decided to have an idea come to life and to make a dream come true. A restaurant, where the richness and the value of our traditions are blended to provide best flavours, aromas and colours of authentic South Asian and Mediterranean dishes under one roof.

Our restaurant is ideally placed between the industrial and residential areas of Windsor, where it's surrounded by all main highways and shopping areas. With easy access, plenty of parking and beautiful ambiance, we look to provide a space of peace and harmony to make you feel like yourselves, and have a pleasant time.

We are a team of competitive and professional people that are working hard with one vision, which is to give the best and to devote ourselves to our guests, so that they have a unique, unforgettable experience. Simply said, we seek to "Add Some Flavour" to the day of our guests, which became our motto.

The restaurant is without a doubt, a life project for many of us that are part of it, as well as for our families. With passion and from the heart, our aim is to provide our guests with a delicious cuisine and an amiable atmosphere. In addition to having a two-story restaurant, we have recently added a modern banquet hall to take care of your party needs.

Featuring a mix of Pakistani, Indian and Mediterranean dishes, we feel Eastern Flavours encompasses a menu that aims to satisfy your craving of authentic ethnic dishes.
